

# MiCare

MiCare provides aged services, retirement living, social support programs, and settlement & community services.

## Respite Short Stays at MiCare

### What is a Respite Short Stay?

Respite Short Stay is a great way to experience living at MiCare for a short time. While staying with us you will have access to around the clock care, you will be given the opportunity to participate in all of our social and lifestyle activities. You will enjoy meals from our delicious menu and have the opportunity to enjoy coffee in our café. Our homes provide Ageing in Place and many of our staff are multi-lingual for our *Culturally and Linguistically Diverse* (CALD) community.

### How can I access Respite Short Stay?

When seeking respite, you will need to be assessed by the Aged Care Assessment Team (ACAT). ACAT will talk to you about your current situation and to work out if you are eligible for residential respite care. For an assessment you will need to call *My Aged Care* on 1800 200 422 to be referred for a free assessment with the ACAT.

You are more than welcome to come in for a tour of our homes, meet staff and view our rooms by making an appointment. Once you've been approved, contact us to make a booking.

### How much will it cost?

The fee for respite is set by the Department of Human Service which is equivalent to 85% of a single pension. You are required to pay in full on the day or before your respite stay. We will be able to give you a quote on how much it will cost you when you make your booking.
